# *Season's Greetings*

Boys' Town Singapore

Dear Friends

In this Christmas season, what are your wishes for the coming year? If you could change the world, how would you imagine it?

Despite the tremendous technological and economic advancement our world has achieved, there is still inequity. We live in a world where there will always be the "haves" and "have-nots". There will always be those who are poor, hungry and disadvantaged that will need a helping hand along the way.

At Boy's Town we believe that every person matters and the significance of our core values of compassion, openness, integrity and trust. The role we play in Boys' Town continues to be important as we support the youth that has been placed in our care with guidance, education and practical living skills.

Being a non-profit institution, we are a member of the National Council of Social Services (NCSS) but we are not funded by the Community Chest. It is through the generosity and support of benefactors and friends that we have managed to continue running our residential home and programmes independently since 1948.

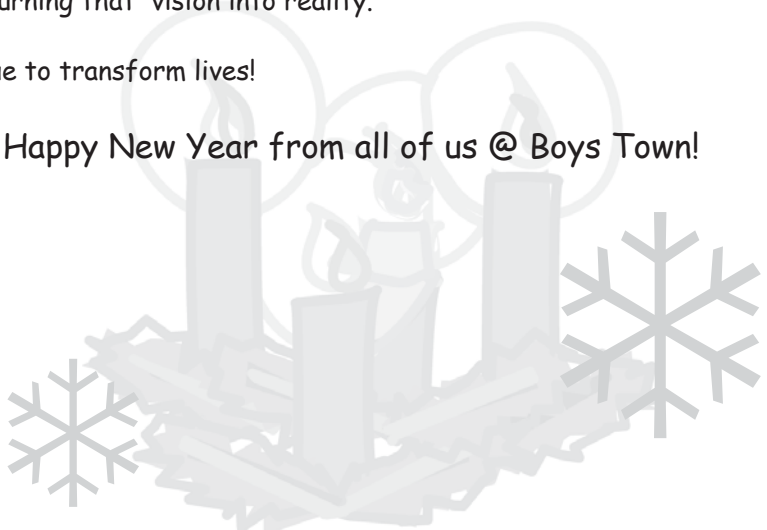

We wish to thank you for helping make the lives of our disadvantaged youths at Boys' Town more meaningful and enriched. Your support for Boys' Town's work keeps the flame of hope alive in the most meaningful way. You help to envision the hope the Christmas season inspires "for peace on earth, for life ablaze with good will, justice and dignity" by turning that vision into reality.

Together we can continue to transform lives!

Merry Christmas & Happy New Year from all of us @ Boys Town!

With Grateful Thanks!
